Rolling Hills Heifer Program Application Guidelines Due October 31, 2022

Dear Applicant,

Thank you for your interest in the Rolling Hills Heifer Program. Each year Rolling Hills Bank & Trust purchases 10 bred heifers, and two recipients are chosen to receive these heifers. This is our way to promote agriculture and encourage young people to become involved in agriculture. This program is something we take very seriously and we expect our recipients to share the same feeling. Your application is an opportunity to demonstrate dedication and seriousness of wanting to participate. The detail and enthusiasm put into the application is the first indication to us of the effort you will put into your project. Please consider each question carefully and answer as fully as you can. We look forward to hearing from you. Good luck.

Rolling Hills Bank & Trust
